

## NCL's Golf program

Our golf is like our fine dining; we give you course after course to choose from, and it's pretty sweet. We've got access to the world's most exclusive clubs and courses in Hawaii and Bermuda. Just pick which ones you want to play at and we'll make it happen. If you love your clubs and can't play without them, bring them along. Our Club Valet will store, clean and transport them for you. Or, travel light and rent one of our professional sets. With Norwegian Cruise Line, you're free to play a friendly round or get your game on. All you have to do is get ready to swing.

### Tee it up with us and get:\*

- Advanced Tee Time Booking
- Callaway® Rental Clubs
- Pro-line Rental Shoes
- Club Valet Service with Secure Club Storage
- Transportation to and from the Course
- Help with Planning Golf Tournaments

### NCL Golf Hawaii

Find your peace of mind in a little piece of paradise. You'll take your game to a whole new level playing at Hawaii's breathtaking clubs and courses. Find the world's greenest greens on the lush island of Kauai. Take in the clean air and sunshine as palm trees sway on the big island of Hawaii. NCL Golf takes the stress out of planning your game, so nothing can mess up your vibe. These islands flow with lava, and with serenity. Go with the flow.

### NCL Golf Bermuda

Bermuda's got more golf courses per square mile than anywhere else for a reason; it's too beautiful not to. It's home to the world's most famous clubs and courses, and at NCL Golf we give you the "fancy" with none of the "schmancy". Not that we're bragging, but why not tell your friends you've played at the same clubs as the biggest names in golf - and show them pictures? So tell us how you want to experience the world's finest golf. We swing your way.
